University of California, Davis

Davis, CA

Major: Economics(B.A.) Minor: Statistics(B.A.)

September 2023 – December 2026(Expected)

- GPA: 3.95/4.0; Phi Beta Kappa Honor Society; University Honors Program; Co-founder, Debate Club

PROFESSIONAL EXPERIENCE

EY (Ernst & Young) DigitWave Technology(Shanghai) Co., Ltd.

Shanghai, China

Business Analysis Intern, Core Business Services Department

June 2025 – August 2025

- Supported data-access governance: built new permission matrix for 100+ users after FY re-org.
- Standardized naming convention and wrote a Python script to auto-map permissions.
- Translated internal data security documents and redesigned Chinese process flows into English permission matrices for use by the Hong Kong team; published firm-wide.

UC Davis Undergraduate Admissions Center

Davis, CA

Campus Tour Guide & Student Assistant

November 2024 – Present

- Delivered engaging campus tours to prospective students and families; helped them connect with on-campus resources while providing multilingual assistance and personalized guidance to applicants.
- Memorized and delivered a 50-page tour script; completed over 40 hours of official training and passed the certification process as the only non-native English speaker in the cohort.

Shanghai Orient Securities Capital Investment Co., Ltd.

Shanghai, China

Advisory Intern, Venture Capital Department

June 2024 – August 2024

- Produced two market analysis reports on the beverage and materials industries.
- Conducted on-site visits to three potential portfolio companies, reviewed financial statements, and interviewed upstream and downstream partners to support comprehensive investment due diligence.
- Assisted in ESG workshops, supporting legal risk analysis and post-investment planning.

Prof. Marcus Salvato Quintanilla, UC Davis School of Law

Davis, CA

Research Assistant

April 2024 – Present

- Conducted comparative research on Eastern and Western Natural Law; co-developed a syllabus and reading list for a Fall 2027 course. Assisted with timeline construction for moot court materials.
- Researched IP confidentiality in arbitral proceedings for 2026 International Arbitration Week.

RELEVANT PROJECTS & ACTIVITIES

Honors Thesis: Evidentiary Gap in International Trade Secret Arbitration

March 2026 – June 2026

- Analyzed FAA, AAA, IBA Rules, and New York Convention to identify structural gaps in trade secret arbitration; proposed a four-part evidence strategy framework.

Home Sharing Ordinances and Rent Prices in LA County

April 2026 – June 2026

- Applied difference-in-differences to estimate that short-term rental restrictions reduced LA County rents by 2.2%; confirmed via event study and robustness checks.

Eugenic Sterilization Policies and Economic Incentives

January 2025 – March 2025

- Applied cost-benefit framework to trace how fiscal motivations shaped state-sanctioned sterilization policy, analyzing 5 landmark legal cases across an 80-year span.

2024 Mandarin Debate World Cup

March 2024 – June 2024

- Led a newly founded team to the North America championship over Harvard, NYU, and UChicago; awarded Best Debater at the offline final in Beijing.
